Sir:

In accordance with the duty of disclosure as set forth in 37 C.F.R. § 1.56, the accompanying information is being submitted in accordance with 37 C.F.R. §§ 1.97 and 1.98. Applicants request the Examiner's consideration of the documents listed on the accompanying Form PTO-1449. These documents are cited in the Search Report for applicants' French priority application No. 02/09246 or are counterparts thereof. A copy of the French Search Report and an English translation thereof are also filed herewith.

Pursuant to 37 C.F.R. § 1.98, a copy of each of the documents cited is enclosed. However, copies of the listed U.S. patents and U.S. patent application publications are not enclosed since it is no longer required.

A copy of the French Search Report and copies of the documents cited therein were provided with Applicants' First Information Disclosure Statement. The present Information Disclosure Statement is being filed to again cite those documents and to also provide English-language counterparts or translations of the non-English language documents cited in the French Search Report, as well as an English translation of said Search Report to serve as a brief statement of relevance of the non-English documents. The following specific comments are offered with respect to the documents in the French Search Report.

EP 1 195 155 A2 is in French. Corresponding US 2002/0064509 A1 is cited to serve in place of an English translation. The English translation of applicants' French Search Report serves as the required brief statement of relevance.

This Statement, Form PTO-1449 and other enclosures are being submitted within three (3) months of the filing or entry of the national stage of this application or before the first Office Action on the merits, whichever is later. Since these documents are being filed within the time period set forth in 37 C.F.R. § 1.97(b), no fee or statement is required.
